## Summary Report on Add-on Course

As per the decision taken by college Management and Add-on course committee the following Add-on Courses were conducted successfully for the Academic year 2020-21.

Each add-on programme was conducted for 30 hours. The curriculum content is separately framed for each course. The students of different semester are permitted to enroll add on courses of their choice. For the academic year 2021-22, there were 2 add-on courses. During the odd semester Add-on course on Yoga was conducted and Communication Skills and Personality Development course was conducted during even semester. Certificate of completion is given to students only those who attend 90% of classes engaged. Majority of the student participants expressed their gratitude to the Institution for having conducted these value based courses without imposing any fees on them. The course helped students to be active during the pandemic.

As there were many changes in the Academic calendar and because of lock down other 3 add-on courses were not conducted. The students who have attended the course are very much satisfied that the yoga course was very much useful for them during the Pandemic to maintain their health and they also continued to practice yoga daily. Of the overall percentage of the students participation in different add on courses is more than 80% as against the ceiling limit of intake. The financial burden was supported by our esteemed Management.
