Analysis Report of 2019-20:

The academic year 2019-20 is partially affected by covid-19 pandemic and some part of the curriculum was taught through online mode. Since many students were residing in rural areas where internet facility is not adequate, they could not get the benefit of online class. As such then passed students percentage is reduced. In Spite of that, 15 students successfully completed the degree scoring in between 40 & 50 %.
