Report

The college during the pandemic has organised a Special Lecture on Personality Development(online) on 6-9-2021. Shri. Suresh Hegde, Rtd. Personnel Officer, Karnataka Power Corporation, Ganeshgudi, was the resource person he motivated the students to improve their skills and abilities. He encouraged students to improve life skills and inspired to strive to reach their goals by setting clear goals. He very beautifully told students that with goals comes motivation and when you have goals to strive towards, you may find yourself more motivated to achieve them. This, in turn, means you'll be more focused and productive in completing tasks and improving your skills. Around more than 60 students participated.
